### The film show by Fred Cooper

on the 25th February in the Orange Hall was an outstanding success and was thoroughly enjoyed by all present. Once again Fred presented an excellent film show featuring unique archive film which he had taken of Loyal Order Demonstrations in past years and of The Ulster Workers Strike, many of the audience saw themselves and their friends and family on the silver screen. At the end of the film show members of The Pride of the Birches provided music while supper was served. ECDA are indebted to Fred for all his considerable work and effort in putting on these Film Shows and the Committee would like to express our thanks to both Fred for the show and The Ulster Scots Agency for their sponsorship.

### Edenderry Parent and Toddlers Group

Once again we can report on a very successful term with Eden-Tots. We are still growing in numbers due to the hard work of the committee. There's something different to enjoy every Thursday, from art and craft to loads of fun and games with our new parachute!! *And there's more to come...* We have just received a generous earmarked grant from SIHP (Southern Investing for Health Partnership). Each Health and Social Services Board in Northern Ireland is now working to implement 'Investing for Health' at a local level with the aim of improving the health of everyone in the community. They have given us a grant to purchase soft play equipment aimed at increasing the activity levels of toddlers. Many children today, even under fives, spend more time sitting and watching television than they should.

This means they are not exercising as much as in years gone by. Our new equipment will allow our members to tumble and play safely with soft play aids and safety mats to help prevent bumps and bruises.

With Mothering Sunday cards to make, St Patrick's Day to celebrate and Easter eggs to gobble, we're looking forward to lots of fun in March. Never mind the springtime bunnies - we're going to be hopping about with an over-load of excitement!!

We'll be closed on Thursday 31<sup>st</sup> of March for the Easter break but you're more than welcome to come along any Thursday morning 10.30-12.30. New faces (grandparents/parents/carers and under 5's) are always greeted with pleasure.
